

**Raising the standard, world's first effortless loading**

The world first 900 ComfortLift® Dishwasher takes the effort out of loading and unloading. Our unique technology lifts the basket up to waist level in one effortless motion. It's so convenient, you'll wonder how you lived without it.

**Product Benefits & Features**
**ComfortLift®, the first liftable basket**

Our unique ComfortLift® feature means that you no longer have to bend down to load or unload the dishwasher. With a light squeeze of the handle, the lower rack glides smoothly up to you. It's a world-first from us, for your comfort.

**Sustainable dishwashing made easy**

Sustainable choices made easy. Use the QuickSelect touchscreen slider to select your preferred cycle time and the Ecometer displays the most sustainable program to save energy and water through intuitive green bars.

**QuickSelect with Wi-Fi: Connected dishwasher control via your smart device**

Our connected QuickSelect dishwashers enable smart, sustainable dishwashing. Get guidance on the right program for your load and select when to run the dishwasher to reduce energy costs. The app summarises usage and gives sustainability feedback.

**Always updated with TimeBeam®**

Our TimeBeam® function keeps you updated on the status of your dishwasher cycle. It projects the essential information onto the floor beneath the machine, so you can clearly see how long is left. Removing the guesswork from washing.

**More Visibility, More Efficient Loading**

The internal light gives you a direct view of the dishwasher's interior. You can efficiently find the best spots for cleaning each of your specialist cooking tools.
